

ST. JOSEPH'S COLLEGE HASAN ANNUAL REPORT 2023-2024

INTRODUCTION

Degree as a mark of college education is believed to date back to the 13th century Europe. These degrees were a mark of academic achievement and was accessible only to the elite. Several centuries hence, it continues to signal one's academic mastery and heft of achievement. Despite this immortality trait displayed by college degrees and the incredible longevity of educational institutions, the forces of technological changes sweeping the world has put us on a different trajectory, posing several changes and challenges in Higher Education. While these paradigms and patterns may seem overwhelming, institutions like ours, draw strength from the words of the 28th superior general of the society of Jesus, Fr P. Pedro Arrupe, S.J.

I quote,

"Jesuit Education is, educating men and women for others, responsible for themselves and the world around them and committed to the task of transforming towards a more fraternal and fairer society."

Unquote.

These words of Fr Arrupe continue to be a beacon for all that we do at St. Joseph's College, Hassan. While it might appear that we work and study here in the restricted silos of disciplines and while challenges may confront us, what binds all that we do is the common good that we seek- which is well-articulated in the words quoted. It is the core of Jesuit Education. The Annual report is a testimony to this and to the Committed faculty members, dedicated administrative staff, support staff and the exceptionally gifted students of SJC, Hassan.

St. Joseph's College, affectionately known as SJC, embodies a rich tapestry of cultural diversity, upholding constitutional values and principles, and embracing the profound teachings of Jesuit philosophy. Renowned for its commitment to social welfare, the college remains steadfast in its mission to nurture individuals dedicated to serving others. With a steadfast focus on the following three pillars: academic excellence, social concern, and character formation, St. Joseph's College is dedicated to fostering the holistic development of its students.

The Academic year 2023 commenced in September with the observance of a professional approach. St. Joseph's College made thorough preparations to provide students with a safe and conducive learning environment. In addition to regular classes, all extracurricular activities resumed on campus, providing students with a well-rounded educational experience. Various committees were also formed to carefully plan and execute different initiatives throughout the academic year, in line with high standards and protocols. Several institutional best practices have been integrated into the National Education Policy (NEP) curriculum in Karnataka. These practices encompass a range of elements, including embedded programs, industry collaborations, educational internships, an interdisciplinary approach, multi-disciplinary education, holistic education, mental health support, counselling services, well-being initiatives, cultural activities, and sports

programs. By incorporating these practices, SJC aims to provide students with a comprehensive and well-rounded learning experience that prepares them for the challenges and opportunities of the twenty-first century.

The Governing Body of St. Joseph's College:

The Governing Body consists of the members of the Hassan Jesuit Educational Society (HJES) governing body, nominees from the University and UGC, faculty members, alumni, and industry representatives. All suggestions given by the Board of Studies and Academic Council are ratified by the Governing body. The governing body of the institution can approve new programs. It meets once a year and reviews admission and examination reports, takes important decisions on academic aspects, examination, and evaluation, and sanctions the academic calendar.

IQAC:

The Internal Quality Assurance Cell (IQAC) of St. Joseph's College plays a crucial role in ensuring and enhancing the overall quality of pedagogical processes and academic activities within the institution. It diligently implements quality measures and oversees all dimensions of the College's academic endeavors. The IQAC serves as a central body responsible for maintaining comprehensive quality control across various facets of the college's academic activities.

Committees and Cells:

Discipline Committee:

The St. Joseph's College Discipline Committee is constituted for the maintenance of discipline in the college. The committee ensures that students obey rules and remain orderly and peaceful under educational objectives/goals in the college community.

Placement Cell:

The Placement Cell of St. Joseph College, Hassan is doing a great job in helping students find employment opportunities. The placement Department interacts with Corporates for the final placements of students. Regular training sessions are conducted for the students to improve their performance in Job interviews as well as to make them campus to corporate-ready.

Counselling and Student Well-being:

At St. Joseph's College, the well-being of students is of utmost importance and is given the highest priority. The college places a strong emphasis on the holistic development of its students. As part of this commitment, the college offers dedicated counseling services to support students.

The role of the Counsellor is to provide a safe and confidential space, where students can freely express their concerns and challenges without fear of judgment or intrusion. Through empathetic listening and understanding, the Counsellor helps students gain a deeper understanding of themselves, their emotions, thoughts, and behaviors. This process empowers students, enabling them to navigate their personal and academic journey with greater self-awareness and resilience.

Sexual Harassment Cell:

Ensuring the protection and empowerment of women is not just a requirement but a top priority at our institution. In line with this commitment, a Sexual Harassment Cell has been established in the current

academic year. This dedicated committee's primary objective is to create a healthy and congenial atmosphere for both staff and students.

The Sexual Harassment Cell of our college is responsible for observing and preventing any instances of women harassment, providing a safe and secure working environment, ensuring appropriate working conditions including work, health, and hygiene, and eliminating any hostile environment that may disadvantage women.

Examination Committee:

The Examination Committee of St. Joseph's College, Hassan plays a crucial role in ensuring the smooth and fair conduct of examinations within the institution. The Examination Committee aims to maintain and uphold the academic standards set by the college. By conducting internal assessment tests, preparatory examinations, and end-semester examinations, the committee ensures that students are evaluated fairly and accurately according to the prescribed curriculum.

Magazine Committee:

The magazine committee aims to promote creativity, and literary talent and provide a platform for students to showcase their writing skills and express their unique perspectives. The magazine committee consists of a group of dedicated students and faculty members who have a passion for literature, art, and creative expression. The committee is responsible for the production and publication of the college magazine 'MANTHAN'. The committee collected articles, poems, and other literary material from students and faculty members, reviewed them, and selected a few for the college magazine "Manthan", which was well-designed.

Website Content Committee:

A website committee has been established to enhance and maintain our college website to provide an exceptional online experience for all users. The Committee's focus is to ensure that the college website serves as an effective tool for students, faculty, and all stakeholders. The website committee ensures that all information is organized, easily accessible, and well-presented on the website.

Attendance Committee:

St. Joseph's College, Hassan follows a good attendance system. The student's attendance at each class is entered through Linways App. Through this application, the records of a subject-wise and aggregate percentage of attendance of each student are maintained. The student must have at least 75% of attendance in a semester for appearing on the University examination. The class mentors notify the student's parents if they have less than a 75% attendance rate.

Anti-Ragging Committee:

Anti-Ragging Committee is formed in our college to create a safe and conducive environment for students, free from any form of ragging or harassment. The committee develops and implements policies, guidelines, and awareness programs to educate students about the consequences of ragging and discourage such behavior.

Canteen Quality check:

The college has formed a Canteen Quality check committee to check the system to guarantee the safety and hygiene of the food served in the canteen. Regular inspections, checks, and audits help identify potential risks and ensure that proper food-handling practices are followed.

Cultural Committee:

The main objective of the Cultural Committee is to encourage students to showcase their creativity and shed their inhibitions. The outcome of the Cultural Committee is to create a suitable atmosphere to work as a team and refresh themselves from their routine. Most cultural events are planned in collaboration with different clubs and the student council.

Scholarships & Free ships:

The Institution believes that life is lived well when it is lived generously in the service of others. We believe that lack of financial resources should not hinder one's pursuit of education and this year, financial assistance was extended in the form of Management Scholarships amounting to Rs.28,000 benefitting 47 students, (Cash prizes for 28 students and Certificates and mementos for 29 students). The institution facilitated Govt. scholarships to the students.

Orientation Programs:

St. Joseph's College organized an orientation program on September 4, 2023, in order to reinforce the motto, vision, mission, and objectives of the Jesuit institution while adequately preparing the students for the academic year.

These orientation sessions were conducted for all undergraduate classes, ensuring that each student received valuable guidance and information to embark on their academic journey with clarity and purpose.

Staff Service 2023-2024

Faculty

Teachers are an indispensable part of any educational institution, owing to their vital role in imparting knowledge and shaping students' minds for various challenges. St. Joseph's College, Hassan relies on its highly proficient faculty members, who relentlessly strive to uphold the values and beliefs of the institution. The teaching community at SJC works towards creating a learning-friendly environment. Members of the teaching community have consistently proven their overall excellence through their passionate teaching and exemplary conduct. During the academic year 2023-24, 5 new faculty members joined the institution: Ms. Veena D.M., Ms. Afrah A., Ms. Sowmya, Mr. Paramesha C.P., and Ms. Steffi Clifford. The institution is grateful to Ms. Prathima Prabhu, Mr. Rovin Martis, Ms. Jane Noronha, Ms. Benita Olivera, and Mr. Steevan for their dedicated service and unwavering commitment to the institution and the student community, and wishes them success in their future endeavors.

Staff Enrichment Programs:

Teachers are an indispensable and integral part of every educational institution, as they hold a pivotal position in imparting knowledge and nurturing the minds of students to tackle a wide range of challenges. Our esteemed lecturers are dedicated to upholding the values and principles of our institution. They tirelessly strive to create a conducive learning environment by skillfully disciplining students and guiding them toward a path that leads to a promising future. The faculty members wholeheartedly contribute to fostering a nurturing atmosphere where students can flourish academically and personally.

To train and equip the staff, the institution regularly hosts Faculty Development Programs (FDPs) to facilitate

the continuous improvement of knowledge and skills among faculty members. These programs offer valuable opportunities for scholarly and interdisciplinary growth, empowering the faculty to engage in impactful research projects, workshops, and discussions. Participating in these initiatives gives faculty members the tools to foster positive social change through their teaching, learning, and research endeavors. The institution organized and conducted a series of workshops and webinars exclusively designed for staff members to enrich their personal and professional development. These programs were tailored to equip the faculty with essential skills and knowledge, enabling them to enhance their professional growth effectively.

Conclusion

As we conclude the St. Joseph College Annual Report for 2024, we are filled with a profound sense of pride and gratitude. This year has been a testament to the unwavering dedication of our faculty, staff, students, and supporters. Through challenges and triumphs, we have remained committed to our mission of excellence in education, holistic development, and service to society. As we reflect on the achievements of the past year, we look forward with optimism and determination to continue our journey toward fostering a community of lifelong learners and leaders. Together, we celebrate our successes and renew our commitment to shaping a brighter future for generations to come
